About the Cap

Every cap in the range is embroidered in-house at our Worksop workshop onto the **Beechfield BC655 Five-Panel Vintage Washed Cap** — a soft-structured, relaxed-fit blank with a look and feel that customers immediately notice. These aren't print-on caps. The slogans are stitched, textured, and built to last. That quality shows on the shelf and justifies the price point.

THE BLANK — BEECHFIELD BC655

- 100% cotton twill, enzyme-washed for a relaxed vintage feel
- Soft structured, low-profile five-panel construction
- Curved peak — natural shape, sits comfortably
- Adjustable brass buckle strap at the back
- Six embroidered ventilation eyelets
- One size fits most adults

EMBROIDERY

- All slogans embroidered (not printed) in-house
- Thread is raised, tactile, and wash-fast
- Embroidery sits on the front panel, centred
- Available in multiple thread colour options
- Typical stitch count: 3,000–6,000 stitches per design
- Will not fade, crack, or peel with normal wear

WHO THEY'RE FOR

- Keen gardeners of all ages — great gift item
- Allotment holders, plot neighbours, grow-your-own fans
- House plant collectors and indoor growers
- Anyone who takes their lawn very seriously
- Gift buyers looking for something funny but quality

WHOLESALE & STOCKING

- No minimum order quantity
- Mix and match designs and quantities freely
- Produced and dispatched in 2–5 working days
- Order direct or via Faire (Net-60 available)
- 27 gardening designs — 8 featured in this lookbook
- RRP £14.99 · contact us for trade pricing

 **Gift-ready out of the box.** The BC655 vintage washed cap sits flat for display and looks premium without extra packaging. Customers pick it up, read the slogan, laugh, and buy. Consistent impulse-purchase performer — ideal for till-point or entrance display.

Gardening Cap Designs

"Talk Dirt To Me"

TAL-EMB-CAP

For the soil obsessive who speaks fluent compost

A guaranteed conversation starter on the allotment, in the garden centre, or anywhere near a grow bag. Perfect for the gardener who gets more excited about soil health than most people do about anything.

RRP £14.99 · Contact for trade pricing

"I Wet My Plants"

WET-EMB-CAP

A classic. Brilliant for the watering-can-in-hand type

One of our most-asked-about designs. It's cheeky without being crass — the kind of thing gardeners immediately want to buy for themselves or as a gift. Consistently popular across all ages.

RRP £14.99 · Contact for trade pricing

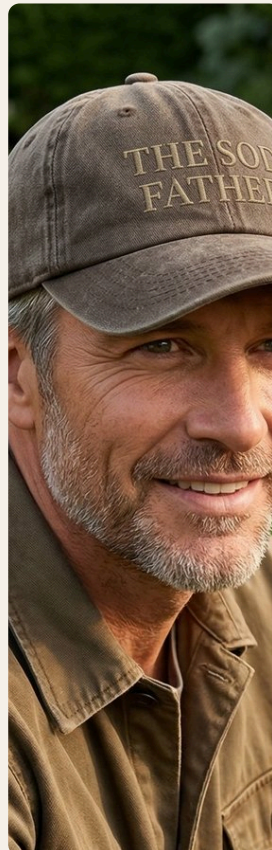

"Plantrovert"

TRO-EMB-CAP

For the gardener who'd rather talk to their tomatoes

Strikes a chord with the grow-your-own crowd and house plant collectors alike. Works brilliantly as a self-purchase as well as a gift — people instantly see themselves in it.

RRP £14.99 · Contact for trade pricing

"The Sod Father"

SOD-EMB-CAP

An offer your lawn can't refuse

Popular with allotment holders, men with strong opinions about their stripes, and anyone who takes their outdoor space very seriously. A perennial bestseller around Father's Day and through the summer season.

More Designs

"You Grow Girl"

GRW-EMB-CAP

Empowering, punny, and impossible not to smile at

One of the strongest female-skewing designs in the range. Popular with women who garden seriously, and equally popular as a gift from friends. A reliable performer wherever it's stocked.

RRP £14.99 · Contact for trade pricing

"Master Mower"

MAS-EMB-CAP

For the person who takes their stripes very seriously

Every garden centre knows at least one Master Mower. Appeals to lawn-proud homeowners and suburban gardeners who measure their weekend success in straight lines. Strong Father's Day gift.

RRP £14.99 · Contact for trade pricing

"Soil Mate"

SOI-EMB-CAP

The perfect gift between gardening best friends

Plays on the Australian slang "soul mate" — gardening friends, allotment partners, and plot neighbours immediately get it. A popular buy-two-together gift, which is great for your average transaction value.

RRP £14.99 · Contact for trade pricing

"Plant Mum"

MUM-EMB-CAP

For the house-plant collector and garden centre regular

Broad appeal — works for the house plant obsessive as much as the outdoor gardener. A natural pick-up at point of sale and one of the strongest year-round performers in the cap range, especially around Mother's Day.
